Current Responsibility

Adam Barnhart is a principal and consulting actuary with the Milwaukee office of Milliman. He joined the firm in 2007.

Professional Work Experience

Adam's expertise is in both managed and traditional healthcare programs, with more than 12 years of experience in these areas. He has assisted various entities, including health plans, employers, and health care providers. He has helped clients with product development and pricing, experience analysis, valuation of reserves, and financial reporting.

Adam is considered a firm-wide leader in Medicare Advantage and Part D consulting. He has completed bid development for many clients.

Adam's recent projects include:

- Assisting multiple Medicare Part D carriers with their annual bid development and strategy
- Developing a standard value-added measure for every Medicare Advantage plan for benchmark analysis
- Helping a provider develop their ACO program, including risk model evaluation, benchmarking, and reporting

Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

Education

BBA, Actuarial Science, Risk Management and Insurance, and Mathematics, University of Wisconsin
