

# NOAH CHAMPAGNE

FSA, MAAA

Principal and Consulting Actuary

noah.champagne@milliman.com

+1 210 213 6467

## Current Responsibility

Noah Champagne is a principal and consulting actuary with extensive experience working directly with providers to facilitate risk arrangements, contracting discussions, and benchmarking.

Additionally, Noah works closely with ACOs (MSSPs, REACH ACOs, High Needs REACH ACOs, and others), MAPD plans, and individual Exchange clients to facilitate their pricing, projections, and budgeting.

## Professional Work Experience

Noah's experience as an actuary includes:

- ACO participation support and modeling
- Value-based care models
- Medicare Advantage Part C bid preparation
- Exchange rate filings
- Small group pricing
- Risk score modeling
- Capitation payment analysis

## Professional Designations

- Fellow, Society of Actuaries
- Member, American Academy of Actuaries

## Education

- MSc, Applied Mathematics, University of Washington
- BA, Physics and Mathematics, Skidmore College
