

Maayke de Boer

MSC

Senior Analyst

CURRENT RESPONSIBILITY

Maayke de Boer is a senior analyst in the Amsterdam office of Milliman. She joined the company in 2020.

Maayke has since then been involved in assignments in the field of insurance and risk management.

EXPERIENCE

Before joining Milliman, Maayke worked as a pricing intern for a large Dutch insurer and as a consultant in logistics for a large Dutch company. During her studies she has also assisted in research projects and taught classes in mathematics and risk insurance.

EDUCATION

- Bachelor's degree, Econometrics and Operations Research, University of Groningen, The Netherlands
- Master's degree, Econometrics, Operations Research and Actuarial Studies, University of Groningen, The Netherlands
