

Sharon Huang

FSA, FLMI

Director, Consulting Actuary

CURRENT RESPONSIBILITY

Sharon is a consulting actuary in Milliman's Shanghai office. She joined the firm in 2011. In her current role, she provides support to local and multinational insurance companies in the areas of actuarial due diligence, product design, pricing and financial reporting.

EXPERIENCE

Prior to joining Milliman, Sharon worked at the largest life reinsurer in China for six and half years, where she gained experience in reinsurance, product development, market research, alternative distribution channel management, and market entry strategy.

She has worked with life insurers in China on issues pertaining to:

- Product development
- Premium rating
- Asset-liability management modeling
- Due diligence and EV appraisal
- Alternative distribution channels
- Market entry and business planning
- Improving cash flow and capital strain using reinsurance

Sharon is fluent in English and Chinese.
