

Aeron Riordon

ASA, EA, MAAA
Actuarial Associate

CURRENT RESPONSIBILITY

Aeron Riordon is an actuarial associate in the Milliman Southern Employee Benefits Practice (SEB) based in the Dallas office. He joined the firm in 2018.

EXPERIENCE

Aeron has seven years of experience providing actuarial consulting services, including:

- Funding under ERISA and other regulatory compliance requirements including government filings, nondiscrimination testing, and required communications to plan participants
- Financial reporting and expense under various accounting standards, including U.S. GAAP, IFRS, SSAP, GAS, and CAS
- Acquisition advisory due diligence related to retirement program risk
- Guidance on current and expected economic conditions, government regulation, and industry practice

Aeron also assists clients with a variety of special retirement program projects, including vendor selection, benefits benchmarking, pension plan termination, and tax strategy. He has expertise in the following areas:

- Provider contracting and renewal strategy development
- Private benefits Exchange/Marketplace analysis, implementation, and management
- Employee engagement strategies and delivery
- International benefits delivery
