

**Susan J. Saip**  
FSA, MAAA  
Consulting Actuary

### CURRENT RESPONSIBILITY

Sue is a consulting actuary in the Chicago office of Milliman. She joined the firm in 2000.

### EXPERIENCE

Sue has more than 35 years of experience in the life insurance industry. Her area of concentration has been annuity product development and pricing. Sue spends a significant portion of her time on survey and research projects relative to annuity and life insurance topics. She plays a key role in the firm in the development, administration, and analysis of benchmarking surveys.

Prior to joining Milliman, Sue worked for eight years with a large stock life insurance company. Her work there included annuity product development, pricing, administration, and systems.

### PRESENTATIONS AND PUBLICATIONS

Sue is a frequent speaker at insurance industry meetings and has written many articles for insurance trade publications.
