SEATTLE – March 8, 2021 – Milliman, Inc., the premier global consulting and actuarial firm, today announced the acquisition of McHugh Consulting Resources, Inc., a leading provider of outsourced insurance compliance and regulatory services. The addition of the McHugh team solidifies Milliman's position as the country's leading life and health insurance compliance service provider, capable of helping clients navigate federal and state insurance regulations as well as providing a full range of compliance and regulatory support.
